Communication Information for Students and Families

Communication:

To better communicate with students and families, we are making some changes during this time of distance learning. Some of these changes will become permanent while others are necessary during the closure. The school will be asking for all parents' emails as we start a new communication service Parent Square. More instructions and training on how to use this new service and App will follow. Teachers have all set goals for more consistent communication with students, parents, and staff. As part of this new goal, our teachers have committed to new standards of communication.

All teachers will have (All minimums):

1. Office Hours twice a week
2. 4 ELD Virtual Classes per week
3. Virtual class meeting once a week
4. Social Hour once a week
5. 1 on 1 meeting w/ Admin once a week
6. Department Team Meeting once a week
7. All Staff Meeting once a week
8. Contact with each student and/or parent once a week

Virtual Meeting Protocols

- Classroom Respect Agreements are still in place
- Quiet location when possible
- Physically present
- Mindful of others speaking
- If you get muted it's not an offense
- One voice at a time, but all will be heard
- School appropriate attire (PJs are ok as long as they cover the body)
- School appropriate actions, language, and visuals

Any student breaking these protocols will be warned and may be removed from the meeting and will need to do all other meetings in a 1 on 1 setting.

When to meet with Teachers?

All teachers will be available Monday - Friday from 8:00 am - 4:00 pm, unless they are in scheduled meetings. Below you will find important class meeting schedules and office hours of all our teachers for the remainder of the school year.
